Distance to Gasteig: 8,1 km

Look forward to our arcona LIVING hotel in the pulsating and simultaneously tranquil Munich district of Neuhausen, Nymphenburger Straße, corner of Landshuter Allee. The history of the location serves as an example for the hotel's concept. In 1916 - at this very location - the third largest cinema in Munich opened, the Fern-Andra-Lichtspiele. Fern Andra was an American actress, director, screenwriter and film producer. Since a reconstruction and expansion in 1936, it took the name "Filmtheater Atrium". It was closed in 1966. Now the history of the theatre comes back to life and one can look forward to an eventful and exciting movie. Ensure that you reserve the best seats or play one of our leading roles as a guest of the arcona LIVING MÜNCHEN.
