10:30

Discussion

10:30 – 11:00 · COFFEE BREAK

PART 2 · Operative Arthroscopy

LEVEL II – III

11:30

11:50

Level II a — simple operatory & simultaneous with orthognathic surgery

Luis Vicente González, DDS

11:50

12:10

Level II b — advanced operatory, radiofrequency & laser

Tofiq Bohra, MDS

12:10

12:25

Level II c — discectomy

Daniel Jerez, DDS, MSc

12:25

12:40

Proportional arthroscopic discopexy (PAD)

Rafael Martín-Granizo, MD

12:40

13:00

Level III a — non-rigid discopexy

Félix Amarista, DMD

13:00

13:15

Level III b — semi-rigid discopexy

Luciano del Santo, DDS

13:15 – 14:15 · LUNCH

14:15 14:30	III	Level III b — semi-rigid discopexy · Yang's technique Ahmed Abdelrehem, DDS
14:30 14:45	III	Level III b — semi-rigid discopexy · Yang's variation Daniel Jerez, DDS, MSc
14:45 15:00	III	Level III b — suture of disc perforations Helcio Ono, DDS
15:00 15:15	III	Level III c — rigid discopexy with resorbable pins Rafael Martín-Granizo, MD
15:15 15:35	III	Level III c — rigid discopexy with metallic anchors & in-house instruments Sigifredo López, DDS
15:35 15:50	IV	Level IV — inferior articular space Romualdo de Barros, DDS
15:50 16:10	•	Complications of TMJ arthroscopy — how to avoid them? Raúl González-García, MD
16:10 16:25	•	Scientific evidence in TMJ arthroscopy & discopexy Luis Vicente González, DDS
16:25 16:45	•	Master Lecture — Arthroscopy of the TMJ: what we have learned in 50 years, and what we haven't... Florencio Monje, MD
16:45 17:00	•	Discussion and conclusions

17:00 – 17:30 · COFFEE BREAK

PART 4 · Hands-On Workshop

17:30	• Simulator training with real standard arthroscopes (monitor-guided)
	• Presentation of the new wireless TMJ arthroscope (Anton Hipp)
	• Demonstrations & testing of different discopexy techniques
19:00	• Active debate
