

KLS Martin Symposium @ EACMFS 2026

What's next in IPS®?

Shaping the future of
mandible reconstruction!

Wednesday, September 16, 2026

13:00 – 14:00

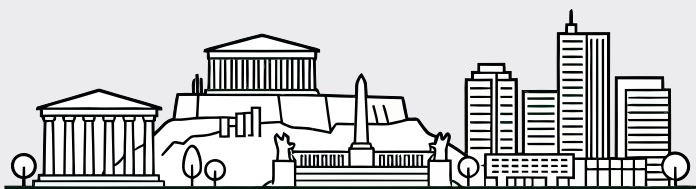

Room: Trianty Balcony Hall

Speaker

Prof. Dr. Dr. Carsten Rendenbach

PD. Dr. Dr. Sebastian Blatt

Dr. Alexander Goodson

Agenda

- + Mechanobiology by design:
Smart fixation for mandibular reconstruction

Rendenbach

- + The IPS® mini jig:
A user-friendly, personalized miniplate
approach to free-flap reconstruction of
the mandible

Goodson

- + The IPS® MotionPlate:
A new plate design enabling controlled
interfragmentary motion in mandibular
reconstruction

Blatt

- + A glimpse into the future:
FE-optimized magnesium implants

Rendenbach
