SECOND ESTS-ERS COLLABORATIVE COURSE ON THORACIC ONCOLOGY PLEURA, MEDIASTINUM, RARE TUMOURS

6-8 April 2020

Hamburg, Germany

An application has been made to the EACCME®
for CME accreditation of this event

An application for accreditation will be submitted to EBAP
(European Board for Accreditation in Pneumology)

Organisers: Gilbert Massard, Luxembourg, Luxembourg
Torsten Blum, Berlin, Germany

This course addresses mainly thoracic surgeons, pulmonary physicians, medical oncologists and radiation oncologists. Colleagues from other specialties such as neurologists, pain specialists are very welcome.

The course offers a smart mix of State of the Art lectures, case-based discussion, interactive workshop and skills lab stations.
